2024 – 2025 School Year

Dear Home School Family,
 Thank you for your interest in Churchville Christian School, attached is an application to the homeschool program. We are open for new enrollment for students in Kindergarten through Twelfth Grade for the current school year. (Note) Students must be 5 years old by September 1st to enroll for the school year.

Registration Process:

1. Please Pray to be sure that Homeschooling is the best option for your family.
2. Plan and purchase your curriculum. (ChristianBook.com has a great curriculum selection).
3. Complete the registration application and course material plan and mail it with your payment to CCS.
4. File a Maryland Home School Notification Form with your local school board. If you already have one on file, you should complete a new one listing CCS as your supervisor. Maryland families must be compliant in filing a notification form for each student to be eligible to enroll with CCS. The Maryland notification form is included with this application and may also be downloaded or completed at your county’s website.

If you have questions, please contact our office. CCS office hours are Monday, Wednesday, and Thursday between the hours of 11AM-3PM. Please call-in advance if you need to visit the office.

May God Bless You,
 CCS Administration
